MEMORANDUM FOR: DEPUTY DIRECTOR (PLANS)

**SUBJECT : Meeting of the President's Foreign
Intelligence Advisory Board, Friday and
Saturday, 11 and 12 May 1962**

1. This memorandum is for information only, and no action is required. Attached is a copy of a memorandum from Mr. Kirkpatrick to the DCI which I received yesterday and which may not have crossed your desk.

2. The briefings for General Doolittle and for Dr. Baker and Mr. Pace present no difficulties. CI Staff and O/S have been alerted.

3. It would appear that at the meeting on 12 May the reorganization of the Agency will be discussed -possibly including the question of R&D since Dr. Killian appears to be particularly interested in that aspect of it.

MEMORANDUM FOR: Director of Central Intelligence

**SUBJECT : Meeting of the President's Foreign
Intelligence Advisory Board, Friday and
Saturday, 11 and 12 May 1962**

1. Mr. Coyne has advised me that the President's Board will hold its next formal sessions starting at 4 p.m., Friday, 11 May and continuing on into that evening and then meeting all day Saturday, 12 May.

2. Prior to the meeting of the Board, some of the Board panel members will hold discussions on their areas of interest. Those concerning CIA are as follows:

a. At 0900 on 11 May General Doolittle wishes to meet with Mr. Cornelius Roosevelt to discuss destruction devices, both old and new.

b. Messrs. Baker and Pace, [redacted] wish to discuss the matter with appropriate Agency representatives at 12:45 p.m. on 11 May. (This would presumably mean representatives from TSD, CI Staff and the Office of Security.)

3. At the formal meeting on 12 May, the Board has asked that the DCI meet with them to discuss any matters which he may wish to raise, the re-organization of CIA and the intelligence community, and perhaps give his current reflections on the 28 November letter from McGeorge Bundy forwarding the views of the Board.

4. The Board also desires an intelligence review of the world situation. Presumably this would be given by Mr. Cline and is scheduled for 45 minutes.

5. The Board has asked that the DDCI advise them on the present charter and activities of the Watch Committee and the National Indications Center. This is tentatively scheduled for 30 minutes.

6. The Board asks for a 30 minutes briefing from Mr. Lundahl giving the highlights of the latest developments in his area as of 12 May.

7. There undoubtedly will be discussion of NRO, perhaps during the Director's meeting with the Board.

8. No definite times have yet been set for the above items.
